Frequently Asked Questions

What is a preview and why is it essential?

A preview is a 1.5-2 hour makeup session where we get to know each other and secure your wedding or event look. It is our opportunity to ensure we create the exact look for your special day! Doing a preview ensures the process goes smoother the morning of. A preview is included in the bridal makeup package. You can request a preview session prior to a special event, if desired.

Where and when does the preview take place?

A preview takes place 1-2 months prior to the wedding or event date. The preview takes place at the client's discretion. I will reach out to you to secure a preview date.

How long does each application take?

Bridal application can take 1 - 1.5 hours while all other applications will take 45 minutes to 1 hour. The bolder the makeup, the longer the process will be. These time frames also include the time it takes to clean, sanitize, and set up in between clients.

What do the touch-up kits include?

The complimentary touch-up kits include: a mini lipstick sample, oil blot sheet, powder, powder applicator, tissues, dental floss, mints, and a makeup wipe.

Note: All the touch-up kit products are not guaranteed and subject to change depending on availability or makeup artist's discretion. Any of the items may be substituted with another complimentary item based on makeup artist's discretion.

Bridal Frequently Asked Questions
Continued

Do I need another makeup artist?

If your bridal party includes 5 or more people, I require an additional artist. This will ensure all the applications get done on time. Another artist may also be needed if there is a tighter timeline that does not allow us to get done in the time frame scheduled.

Do I need to solidify the number of people upon booking?

Yes, I do require the amount of people being serviced to be finalized upon booking. Any last minute changes to the time or number of people can alter whether or not I need a secondary artist.
